Human Patient Simulator Laboratory Guidelines

- The manikin will always be treated respectfully as a person by both instructors and students.
- The protocol for the HPS session requires wearing of clinical uniforms as the professional attire for HPS sessions.
- All participants must wash hands prior to the lab experience.
- No jewelry or large belt buckles are allowed.
- No pens are to be used with the HPS; pencils are allowed if needed.
- No food, drink, or gum is allowed in the HPS laboratory.
- No fluids are to be inserted into the manikin.
- The manikin is not to be sat up more than 45 degrees.
